

## DISCOVERING A SHEMALE

---

I was in my apartment. Made few weeks that I was separated from my wife and I was adjusting to my new situation. I kept a cyber relationship very intense with a woman, for some time. It was my Mistress. She had been the cause of the separation. Now she was the only one in my head. I wanted it and belonged to her. She was repeating that I was Her property and that someday he would live with Her as his slave.

Good, slave since thought turn me into a sissy slut. It was already doing. Since my separation I wore women's underwear all the time, and at home I was dressed in women's clothing. Jessica was my name. She had put it. And She tattooed my skin symbol that appears in this story. It was Her sign of property upon me. I had also signed a contract of slavery and a title of property. She wanted all those documents signed legalize by a notary. I've done on a Notary. I went with a closed letter. The Notary legalize the letter. Inside there were both documents signed by me with a legalized copy of my ID, Passport. Both were signed by me and the signature was legalized too.

My House was full of cameras for she could watch me whenever She wants. I received instructions from Her in this way on many occasions.

I had bought a lot of clothes and shoes that she had chosen for me. I had attended a brief course of makeup to know how to do it. Also some hair salon techniques. Now I had longer hair.

I also had a strict regimen of meals and gym to lose weight and have a good body. My gut had been reduced significantly. I could not see the TV except that she authorized, usually nothing. Don't read anything that She would'nt.

Had a TV in each room, always with a phrase wearing: I love my mistress, I belong to my Mistress. From time to time She was changing the text or put photos of Her that were all the time on screen. The screens were never off. I slept with them turned on.

Next week I would have the judgment of divorce from my wife. The process was very fast.

## DISCOVERING A SHEMALE

---

The Easter holidays were close and I didn't know that I would do. She had told me that he would give me a surprise. Perhaps he was going to meet her in person? It would come to Madrid? I did not know.

When I had the judgment of divorce a copy passed him. He to me dressed like a whore, with my chastity belt. Actually I am with him all time. Kneel before Her. She ordered me to buy a plane ticket to Israel. I was going to be there 10 days, throughout Holy week. He would live in his house. I was going to meet her! A dream!!!.

ON the following days was training me on how She wanted to do things. Keep Her clothes. Ironing Board. Do all the cooking for Her, etc. I was increasingly nervous. To prepare the suitcase told me to put a male clothing for the trip of roundtrip. The rest all women's clothes that She herself selected from my locker. Carrying the suitcase to stop.

*El día del viaje estaba histérico, nervioso, excitado. Viajaba sin el cinturón de castidad por los controles el aeropuerto. Quería llegar lo antes posible.*

*Cuando llegué al aeropuerto no estaba. Me mandó un wasap dándome las señas donde debía ir. Era una casa en lo que me parecían las afueras. Bajé del taxi y llamé al portero automático.*

*- Pasa y sigue hasta el fondo del jardín, por el lado derecho. Hasta que ves una puerta verde. Entra, cierra la puerta y espera.*

*Así lo hice. Era una bonita casa de una planta con jardín. El camino de la derecha giraba por detrás de la casa. Allí vi una puerta verde. Entré y cerré. Estaba a oscuras no veía nada. Al cerrar la puerta oí como un cerrojo eléctrico se cerraba.*

*Una luz se encendió en el centro de la habitación.*

*- Deja la maleta donde está. Desnúdate!*

*Las palabras salían de un altavoz. Era su voz. Inmediatamente lo hice. Allí estaba desnudo, solo, en el centro de la habitación.*

## DISCOVERING A SHEMALE

---

- *Alza las manos. Verás unas esposas colgadas del techo. Mete tus muñecas y ciérralas.*

*En efecto, un par de esposas metálicas colgaban del techo. Me las puse cerrándolas. Estaba preso, y ésta vez físicamente.*

- *Muy bien. Obediente, como siempre, mi perrita.*

The day of the trip I was hysterical, nervous, excited. Traveled without chastity belt controls at the airport. I wanted to get as soon as possible. When I got to the airport I wasn't.

He sent me a wasap giving me the adress where I should go. It was a house in what seemed to me outside. I got out of the taxi and knocked on the intercom. The door open and I continue down the garden, on the right side.

- Until you see a green door. Enter, closed the door and wait.

So I did it. It was a beautiful house in a garden plant. The path to the right was behind the House. There I saw a green door. I entered and closed. I was in the dark did not see anything. Closing the door I heard as an electric lock is closed.

A light went on in the middle of the room.

- Leave the suitcase where is. Undress!

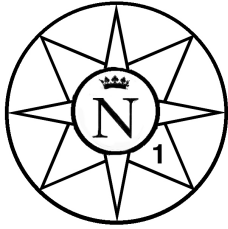

The words came from a speaker. It was his voice. I immediately did so. There I was naked, alone, in the middle of the room.

- Lift up the hands. You'll see some handcuffs hanging from the ceiling.

I do.

- Very well. Obedient, as always, my dog.

*En ese momento se abrió la puerta y ella entró. Apenas la veía por la falta de luz. Oía sus tacones y rápidamente ví sus piernas. Botas altas negras de Loboutin, y medias negras. Falda corta de igual color.*

## DISCOVERING A SHEMALE

---

- *Bien, bien, bien. Ya estás donde yo quería tenerte. Estas preso y ya nada volverá a ser lo mismo. Dime esclava, de quien eres?*
- *Suya Mistress. Sólo suya.*
- *En efecto, y hoy esto quedará mucho más claro y evidente. He de decirte que te he mentado un poquito. No vas a necesitar la ropa para la vuelta a Madrid. Ni el billete de vuelta. Ya me he encargado de anularlo. No vas a volver nunca. Ya no saldrás de mi control directo. Para siempre estarás a mis pies. Eres mío y lo serás para siempre. Esta va a ser tu primera Semana Santa conmigo, la primera de muchas. Todas las que te quedan.*

At that moment the door opened and She came. Just saw it for the lack of light. I heard her heels and quickly saw his legs. Loboutin-black boots and black stockings. Short of equal color skirt.

- Well, well, well. You're where I wanted to have you. These prisoner and now nothing will be the same. Tell me slave, who are you?
- Im Your slave. Only yours.
- In effect, and today this will be much more clear and evident. I have to tell you that I have lied to you a little bit. You will not need the clothes for the return to Madrid. Or return ticket. I've already in charge of cancel it. You will not never to return. Already you will not leave my direct control. Forever you will be my feet. You're mine and you will be so forever. This will be your first Easter with me, the first of many. All that you are.

Estaba temblando. Hacía frío y estaba muy nervioso. Sus palabras me habían sorprendido también.

Empezó a dar vueltas detrás de mí. Con sus uñas iba arañando suavemente mi piel. Hecho eso, se puso delante de mí y me miró a la cara.

- Jessica, soy yo, tu dueña. Me sonrió y besó en la mejilla.
- Bienvenida a tu nueva vida, perrita.
- Muchas gracias Mistress. Soy muy feliz de estar aquí.

Me puso un dedo en mis labios para que callara. Se apartó a un lado de la habitación. En la mano traía un chastity device y un bote de crema. Me dio la

crema en el cock y me puso el device. El candado tenía un combinación de letras y números. Complejo. Lo cerró y borró la combinación.

- Ya está! Tu cock es mío y sólo mío. Ni siquiera tuyo. Llorarás y arrodillado suplicarás que te libere pero sólo será si obedeces en todo y estoy orgullosa de tí. Lo quitaremos para limpieza periódicamente, pero solo un momento. El resto del tiempo siempre lo llevarás.
- Si Señora, estaba deseando este momento. Muchas gracias.
- Lo sé Jessica, y esto es sólo el principio.

It was shaking. It was cold and I was very nervous. His words had surprised also. He began going around behind me. With his nails he was gently scratching my skin. Done that, stood in front of me and looked me in the face.

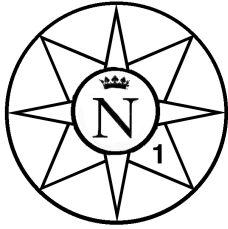

- Jessica, I am, your owner. He smiled at me and kissed on the cheek. Welcome to your new life, dog.
- Thank you Mistress. I am very happy to be here.

She put me a finger on my lips so shut up. She set off to one side of the room. In his hand he brought a chastity device and a pot of cream. Gave me the cream in the cock and gave me the device. The padlock had a combination of letters and numbers. Complex. She closed it and wiped out the combination.

- It is now! Your cock is mine and only mine. Not even yours. You cry and kneel, you beg to be released but it will only be if you obey in everything and I am proud of You. We will remove it for cleaning periodically, but only just this moment. You will get the rest of the time ever.
- Mistress, I was looking forward to this moment. Thanks a lot.
- Im sure Jessica, but this is only the beginning.

Dio la vuelta y salió de la habitación dejándome solo con mis pensamientos y el device. Hacía frío. La posición se hacía incómoda poco a poco. Además las esposas iban subiendo despacio, tensando mis brazos y obligándome a ponerme de puntillas.

Así estuve un rato hasta que ella volvió. Llevaba una caja en la mano.

## DISCOVERING A SHEMALE

---

- Bueno, bueno, bueno. He revisado tu equipaje y tienes que empezar a vestirme adecuadamente.

Antes de nada sacó una cámara de fotos y me hizo fotos desde todos los puntos de vista. A continuación me puso una medias y unos panties. Después sacó unos zapatos de tacón alto, de charol negro, con cinta alrededor del tobillo y candado.

He turned and left the room leaving me alone with my thoughts and the device. It was cold. The position was made awkward gradually. Also the handcuff were climbing slowly, tightening my arms and forcing me to put me on tiptoe. So I spent a while until She returned. He had a box in hand.

- Good, good, good. I have reviewed your baggage and you have to start to get dressed properly.

First of all, She took out a camera and made me photos from all points of view. Then put me a medium and a few panties. Then he pulled out some high heel shoes, high black patent leather, with tape around the ankle and lock.

- Incómoda la postura, verdad? Como soy buena voy a ponerte estos zapatos con los que estarás más sexy y cómoda. Ya no tendrás que estar de puntillas.

Colocó los zapatos y cerró los candados guardando la llave. La verdad es que fue un alivio. Podía apoyarme mejor.

- Desde ahora usarás siempre tacones. Nunca, repito, nunca debes usar zapatos planos o andar descalza.
- Sí Mistress. Gracias por vestirme tan femenina.
- You must be a nice and pretty Good girl.

Y volvió a salir de la sala.

Ya llevaba más de una hora desde que llegué, y mis brazos estaban agotados. La puerta se abrió y entró ella con un impresionante y ajustado traje de latex negro sobre unas botas de tacón alto igual de espectaculares.

## DISCOVERING A SHEMALE

---

- Uncomfortable position, right? As I am good I am going to wear these shoes with that you're sexy and comfortable. You no longer have to be on tiptoe.

She put me the heels and closed padlock keeping the key. The truth is that it was such a relief. I could better support me.

- From now on you will always use heels. Never, I repeat, never you should wear flat shoes or going barefoot.
- Yes Mistress. Thank you for dressing me so feminine.
- You must be a pretty Good and nice girl.

And She turned to leave the room.

She had been over one hour since I arrived, and my arms were exhausted. Opened the door and entered Her with an impressive and tight suit of black latex on some equally spectacular high heel boots.

- *Bueno, vamos a empezar de verdad.*

*Y una mujer entró en la sala.*

- *Ella va a tatuar en tu piel mi símbolo.*

*A continuación me soltaron de las esposas. Gran alivio y llevaron a una cama donde me ataron.*

- *Van a grabar mi símbolo en tu hombro derecho. Dolerá un poco, pero vas a aguantar. No es verdad?*
- *Sí mi Ama.*

*Era verdad. Dolía. El proceso duró un par de horas. Después me dejaron allí solo, digo sola, un rato largo. Qué bien. Era mi primer descanso.*

- *Te has portado muy bien. Me ha gustado. Ahora tendrás tu premio.*

*Puso ante mi boca un dildo.*

- Well, let's start really.

## DISCOVERING A SHEMALE

---

And a woman entered the room.

- She is going to tattoo on your skin my symbol. Then I was let of the handcuffs. Great relief and carried to a bed where I tied.
- They will burn my symbol on your right shoulder. It hurt a little, but you'll endure for life. Is it not true?
- Yes my mistress. It was true. It hurts.

The process lasted a couple of hours. Then I left there alone, I say one, a long time. Very nice. It was my first break.

- You've done very well. I liked. Now you have your prize.

And put a dildo inside my mouth.

- *Chupalo, lamelo, adoralo. Lo harás todos los días. Tienes que amarlo. Cuando veas uno deberás arrodillarte y abrir la boca esperándolo. Deseándolo. Cuando lo hagas como una experta puta tendrás un premio.*
- *Yes Mistress.*

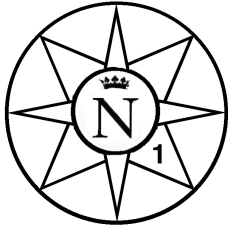

*Y empecé a chuparlo, arriba, abajo. Era cansado. Me tuvo así al menos 15 minutos. No podía mas con las manos y pies atados. Muy cansado.*

- *Para, dijo soltando mis pies y manos. Ya es tarde. Esta la cena preparada. Quiero que vayas a tu cuarto. Te duches y vistas con la ropa que he puesto en tu cama. Tienes media hora.*

*Me llevó a un cuarto, sin ventanas, pequeño. Había una cama, un tocador y una puerta al cuarto de baño.*

- Suck. Lick. Worship it. You will do it every day. You have to love him. When you see one you must kneel and open Your mouth waiting for him. Looking forward to it. When do it like an expert whore will have a prize.
- Yes Mistress.

## DISCOVERING A SHEMALE

---

And I began to suck it, up, down. He was tired. He had me so at least 15 minutes. It couldn't more with hands and feet tied. Very tired.

- For, said releasing my feet and hands. It is already late. The dinner is prepared. I want you to go to your room. You shower and views with the clothes I put on your bed. You have half an hour.

She took me to a room, no windows, small. There was a bed, a toilet and a bathroom door.

*En la cama había un traje blanco, corto, medias blancas, zapatos de tacón blanco. Me quitó el candado de los zapatos.*

- *En el baño tienes jabón y perfume para ti. Lo he escogido yo misma. Úsalo. Tienes 30 minutos.*
- *Yes Mistress. Thank You for all.*
- *Arrodillate, besa mis zapatos en señal de sumisión.*

*Me arrodillé y bese sus zapatos.*

- *Eres mío para siempre. Ahora eres mi propiedad.*
- *Yes Mistress. I am.*

On the bed there was a short, white dress, white stockings, white heels. Removed me the padlock of the shoes.

- On the bathroom you have soap and perfume for you. I myself have chosen him. Use it. You have 30 minutes.
- Yes Mistress. Thank You for all.
- Kneell, kiss my shoes as a sign of submission. I knelt and kissed his shoes.
- You're mine forever. Now you are fully mine.
- Yes Mistress. I am.

*Me duché y cambié rápidamente. Me vestí y perfumé. Era claramente de mujer. Olía muy bien. Me gustaba.*

## DISCOVERING A SHEMALE

Al terminar fui al comedor. Ella estaba tomando una copa de champagne.

- Bien. Estas preciosa. Me gustas mucho así.
- Thank You Mistress. I feel really good as this.
- Ahora me servirás la cena. Vamos al comedor.

Pasamos al comedor donde estaba todo preparado. Un solo puesto para comer. El suyo. Me puse unos guantes blancos para servirla. Fui sirviendo plato tras plato hasta el final. Sirviendo el vino también, poniendo el pan.

I had a shower and quickly dress. I dressed and perfumed. It was clearly female. It smelled very good. I liked. I went to the dining room. She was with a glass of champagne.

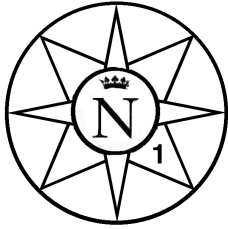

- Not bad. Beautiful. I like you very much as well.
- Thank You Mistress. I feel really good as this.
- Now You will serve my dinner.

We went to the dining room where it was all prepared. A single seat to eat. Yours. I wore white gloves to serve it. I was serving dish after dish until the end. Serving wine also, putting bread.

- *Lo haces muy bien. Me gusta. Tienes hambre?*
- *Yes Mistress.*
- *Muy bien. Tu cena está en la caja negra que hay en el aparador. Tráela.*

Le dí la caja. Estaba cerrada con llave. La abrió. En la caja había un plato pequeño con varias pastillas, un vaso de leche y una galleta de esas de régimen.

- *Tienes que tomarte las pastillas, la leche y la galleta. Con este régimen quiero que adelgaces rápido y cambiar tu cuerpo. Las hormonas van a trabajar duro contigo y en breve plazo, hormonalmente, estarás más cerca de una mujer que de un hombre. También una de las pastillas sirve para preparar tu mente para los cambios que han de venir. Tómalas.*

## DISCOVERING A SHEMALE

---

- You do it very well. I like it. Are you hungry?
- Yes Mistress.
- Very well. Your dinner is in the black box that is there in the dresser. Bring it.

I gave him the box. It was locked. She opened it. Inside the box had a small dish with several pills, a glass of milk and a biscuit of regime.

- You have to take the pills, milk and cookie. With this regimen I want you windowsill fast and change your body. The hormones are going to work hard with you and soon, hormonally, you're closer to a woman than a man. One of the pills also serves to prepare your mind for the changes that are to come. Take them.

*Sin sentarme, de pie, tomé todo lo que ella me daba. Estaba muy nervioso, perdón, nerviosa y excitada.*

- *Muy bien. Ahora vete a la cama. En media hora las medicinas harán efecto y no podrás estar de pie. Metete en la cama desnuda. Yo iré a darte las buenas noches y atarte.*
- *Yes Mistress.*

*Así lo hice. En unos minutos estaba en la cama, desnuda. Ella entró y me ató de pies y manos. También me puso un arnes en la cabeza y la fijó. No podía girarla.*

- *En el techo hay una pantalla de televisión. Toda la noche estarán pasando imágenes y sonidos que servirán para brainwash tu mente. Te he dado una droga que te mantendrá despierta, así iras recibiendo toda mi programación. Esto es sólo el principio de tu transformación. Serás mi perrita y llorarás, suplicarás tener la oportunidad de arrodillarte ante mí para decirme lo mucho que me quieres. Me adorarás. Y siempre obedecerás, ciegamente. Eso es lo que siempre has deseado y lo que tendrás.*
- *Yes Mistress. Thank You Mistress. I love You Mistress.*
- *Claro que sí. Me quieres a mí, y sólo a mí. Nunca más querrás a nadie más. Eres mía para siempre. Para siempre.*

## DISCOVERING A SHEMALE

---

Without sitting down, standing up, I took all that She gave me. I was very nervous, sorry, nervous and excited.

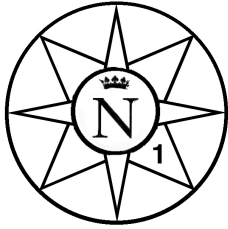

- Very well. Now go to bed. In half an hour the medicines will effect and you will not be standing. Get on the bed naked. I'll give you good night and bind you. –
- Yes Mistress.

So I did it. In a few minutes I was on the bed, naked. She came and I tied hand and foot. Also put me a harness in the head and set it. I could not turn it.

- On the roof there is a television screen. The night will be through images and sounds that will be used to brainwash your mind. I have given a drug that will keep you awake, so you will receive all of my programming. This is only the beginning of your transformation. You will be my dog and you cry, you beg have the opportunity to kneel before me to tell me how much you love me, worship and always you will obey, blindly. That is what always has desired and what you have.
- Yes Mistress. Thank You Mistress.
- Hahaha, of course. You only love me. You will never love any other then me. You are mine forever. Forever.

*Allí quedé asimilando lo que estaba pasando. Nada sería ya lo mismo, pero sería lo que siempre había deseado. Sería la Semana Santa más larga de mi vida. No iba a tener fin.*

*Durante la noche no pude dormir. Las drogas hacían su efecto. Toda la noche fueron pasado videos, algunos hipnóticos, en los que shemale aparecían chupando cock y haciendo toda clase de acciones. Los sonidos eran envolventes. Hora tras hora aquello hacia su efecto. Estaba ansiosa de ser como ellas, vestir como ellas, chupar como ellas. Una pregunta tenía en la cabeza. Ella me quería para Ella o me estaba transformando para servir a algún hombre como hacían las mujeres de los videos? No tenía ni idea pero me inquietaba. No obstante pensaba que si ella tenía algún hombre, pareja, marido yo tendría que servir a los dos. No me disgustaba la idea.*

## DISCOVERING A SHEMALE

---

There I was assimilating what was happening. Nothing would be the same, but would be what had always wanted. It would be the longest Holy week of my life. It was not going to end.

During the night I could not sleep. The drug did its effect. The night were past videos, some hypnotic, in which shemale appeared sucking cock and making all kinds of actions. The sounds were surround. Hour after hour that towards its effect. I was eager to be like them, dress like them, suck like them. A question had in mind. She wanted me to it or I was transforming to serve any man as did the women in the videos? I had no idea, but I concerned. However, I thought that I would have to serve both of them if she had any man, couple, husband. Me not disliked the idea.

*A la mañana siguiente estaba agotada. No sabía la hora que podía ser. La habitación no tenía ventanas, ni reloj y no tenía ni idea de la hora. Tenía hambre.*

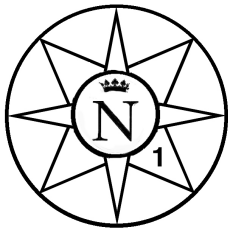

*De repente un vídeo terminó y la TV se apagó. La puerta se abrió y una chica joven. Vestida de forma muy sexy entró con una bandeja. Debía ser mi desayuno. Dejó la bandeja, me desató y llevó a un cuarto de baño. Allí me dijo que me lavara. Al terminar me peinó y maquilló. Estaba preciosa. Nunca me había visto tan sexy y femenina.*

*Nuevamente me vistió con un traje corto blanco, medias blancas, ropa interior blanca y tacones de igual color. Me llevó a la habitación y ató de nuevo a la cama.*

*Mi desayuno consistía en un vaso de leche, y varias pastilla. La mujer apenas habló en todo el rato. Salió ya apagó la luz. Por fin!!! Iba a dormir. Estaba agotada.*

*Un tiempo después, que no puedo precisar, la TV se encendió. Era Ella.*

The next morning I was exhausted. I did not know the time that could be. The room had no windows, no clock and no had no idea of the time. He was hungry.

## DISCOVERING A SHEMALE

---

Suddenly the video ended and the TV went out. The door opened and a young girl. Dressed in a manner very sexy entered with a tray. It was to be my breakfast. Let the tray, I unfastened and led to a bathroom. There he told me that I wash. At the end she brushed an make up me. I was beautiful. Had never seen me so sexy and feminine.

Again, I dressed with a white short dress, white stockings, white lingerie and heels of equal color. Took me to the room and tied back to the bed.

My breakfast consisted of a glass of milk, and several pickup. Women hardly spoke at all the time. Came out and turned off the light.

At last! I was going to sleep. I was exhausted. Some time later, that I can not point out, turned on the TV. She was!.

- *Buenos días Jessica. Cómo estás? Espero que bien. Apenas has dormido. Crees que ha sido así, pero estabas despierta. Sonidos te han estado hipnotizando desde que entraste en la habitación y las drogas que has tomado están haciendo efecto. Observa como estas en erección desde hace mucho rato. Hormonas, hipnóticos, vitaminas y muchas otras cosas están haciendo su trabajo. Ahora quiero que me escuches con atención. Estas atada. En unos minutos va a entrar Mara, la chica que te dio el desayuno. Te va a enseñar a chupar una polla y te dará un premio si lo haces bien. De ahora en adelante todos los días deberás chupar una, al menos. Forma parte de tu dieta, de tus obligaciones, de tu rutina. Lo has entendido?*

- *Yes Mistress*

- *Perfecto. Te gusta la idea?*

- *Yes Mistress. Thank You.*

- *Claro que sí. Vas a ser una perfecta puta chupadora. Mmmmm..... un día te tendré a dieta y sólo te dejaré tragar sémen. Nunca lo he hecho y así probaremos el efecto de esa dieta. Será divertido.*

- Good morning Jessica. How are you? I hope that well. You've hardly slept. You think that she was the case, but you were awake. Sounds have been hypnotizing you since you came into the room and drugs you've taken are making effect. Look like these in erection for long. Hormones,

hypnotic, vitamins and other things are doing their job. Now I want to me to listen carefully. These attached. In a few minutes you will get Mara, the girl who gave you breakfast. You will teach to suck a cock and will give you a prize if you do well. From now on, every day you must suck one, at least. It is part of your diet, your obligations, your routine. Did you ever get that?

- Yes perfect Mistress.
- Do you like the idea?
- Yes Mistress. Thank You.
- Clear that Yes. You'll be a perfect slut sucker. Mmmmm... one day you will have a diet , only leave you swallow semen. I've never done it and so will test the effect of this diet. It will be fun.

*Y se apagó la TV. Estaba nerviosa y agotada.*

*Al cabo de unos minutos entró la mujer. Estaba preciosa. Se quito las bragas y apareció una polla bien erecta.*

- *Habrá la boca puta!, me dijo y así lo hice. No podía moverme.*

*Se acercó a mí y la introdujo en mi boca, comenzando a follarme. Mmm..... me estaba gustando! Y esto todos los días? No parecía mala la perspectiva!!! Ella además era muy guapa y sexy.*

*Pasados unos minutos la mujer me quitó el chastity device y cambió de postura, haciendo un 69. Mientras tenía su polla en mi boca ella me la chupaba. Que delicia!!!! Estaba en un sueño.*

*Ella empezó a correrse en mi boca. La primera vez. No me gustó mucho, pero quería correrme y haría lo que fuera por conseguirlo. El caso es que no me corría.*

*Una vez se hubo corrido paró!!! Y me dejó con una enorme erección y ganas de correrme. Se levantó, me sonrió y salió de la habitación.*

And the TV went out. I was nervous and exhausted.

After a few minutes came the women. She was so beautiful. She will remove her panties and appeared a well erect cock.

## DISCOVERING A SHEMALE

---

- Open Your mouth, slut!, she said and so I did.

I could not move me. She approached me and introduced her cock in my mouth, starting to fuck me. Mmm... was love! And this every day? The perspective seemed not bad! She was also very pretty and sexy.

After a few minutes the woman removed my chastity device and changed stance, doing a 69. While he had his Dick in my mouth she sucked it me. What a delight! I was in a dream.

She started Cumming in my mouth. The first time. I didn't much, but wanted to run me and would do anything to get it. The fact is that I was not running.

Once there were run stopped! And left me with an enormous erection and desire to cum. He got up, smiled at me and left the room.

*La TV nuevamente comenzó a emitir nuevos videos de shemales. Estaba muy excitada. Al cabo de un rato largo la mujer entró y me puso de nuevo el chastity device. Estaba claro que no iba a ser nada fácil poder correrme. Salió de la habitación y entre my Mistress.*

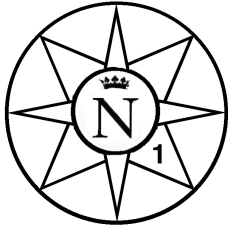

- *Bueno mi querida Jessica. Lo has pasado bien con Mara?*
- *Yes Mistress. Thank You.*
- *Estuviste a punto de correrte y eso no te está permitido. No lo hagas nunca sin mi permiso o te pesará. Entendido. Correrme es un gran premio para ti y tienes que ganártelo y eso no es fácil para ti.*

*Entró en la habitación una mujer de mediana edad con una maleta de médico. Comenzó a ocultarme y tomar fotos y medidas. Hablaba con my Mistress pero no entendía lo que decían. Me puso una inyección y tras media hora se marchó.*

The TV again began to issue new videos of shemales. I was very excited. At the end of a long time women came and put me back the chastity device. It was clear that it wasn't going to be easy to run me. He left the room and enter my Mistress.

- Good my dear Jessica. You've spent it well with Mara?

## DISCOVERING A SHEMALE

- Yes Mistress. Thank You.
- You were on the verge of cum and that is not you allowed. Don't do it without my permission or you will weigh. Understood. Cum is a great prize for you and you have to earn it, and that is not easy for you.

A woman of middle age with a suitcase of doctor entered the room. He began to hide me and take pictures and measurements. I was talking to my Mistress but I didn't understand what they were saying. She gave me an injection, and after half an hour left.

- *Bueno, la doctora te ha visto. Mañana iremos a su consulta. Tiene que hacerte varias pruebas como preparación para la cirugía estética que vamos a practicar en ti. *Al día siguiente algo había cambiado. Era cierto.*

Happy dreams. Now you're mine forever. Don't think, just let yourself go. Obey and all will be well.

She left the room. I felt relaxed. I only had to let me go. I felt a gentle heat in my interior. I was excited. What MIIS! And I fell asleep. The next day something had changed. It was true.

*No sé cuánto tiempo había pasado, pero mucho debía ser. Estaba como drogada. Mis ojos tenían una venda y estaba atada de pies y manos. Algo me presionaba en el pecho y tenía la cara cubierta. Apenas podías moverme.*

*Poco a poco mis sentidos se despertaban. Empecé moviendo mi mano derecha. Sentí que algo no era como antes. Tenía uñas largas!! Normal, pensé. Era un cambio lógico. Seguro que mis manos estaban preciosas.*

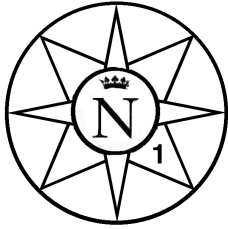

*Estaba yo en estos pensamientos cuando una suave música empezó a sonar en mis oídos. La música me relajaba. De fondo oía una voz hablar, pero no podía identificar bien lo que decía. Me estaba durmiendo otra vez, pero con una nueva sensación. Dulce, apacible. Me dejaba llevar por la música.*

*De nuevo estaba despistada. Había pasado tiempo. Pero me sentía relajada y tranquila. Deseaba salir de aquello, pero no me importaba.*

I don't know how long he had spent, but much had to be. I was drugged. My eyes had a band and was tied hand and foot. Something pushed me in the chest and had covered face. I could barely move.

Little by little my senses are aroused. I started moving my right hand. I felt that it was something not as before. He had long nails! Normal, I thought. It was a logical change. Was sure that my hands were precious.

I was in these thoughts when a soft music began to sound in my ears. Music relaxing me. Background she heard a voice speak, but I could not identify well what he said. In a few was sleeping again, but with a new feeling. Sweet, gentle. They let me bring music.

## DISCOVERING A SHEMALE

---

I was again confused. I had spent time. But I felt relaxed and quiet. I wanted to get out of that, but I didn't care.

*Oí a dos personas entrar en la habitación. Hablaban pero no podía oír bien. No sabía lo que hacían. Pude oír que una de ellas (eran mujeres) dijo: "ha salido muy bien, el doctor ha hecho un gran trabajo. Está perfecta" Y salieron de la habitación.*

*De nuevo empezó la música, pero esta vez venía con un suave calor interior. Supongo que a través de un gotero me habrían puesto alguna droga, medicina o lo que fuera. La voz empezó de nuevo, pero estaba más alta. Creía entender algo de lo que decía. Cosas como..... "eres una mujer, eres muy femenina, te gustan chupar pollas, quieres chupar pollas, eres puta, muy puta, quieres seducir hombres, etc, etc, etc" Nuevamente me quedé dormida.*

*Aquella voz estaba todo el tiempo conmigo. Me despertaba de vez en cuando y la oía. Pero rápidamente volvía a mi suave sueño. Sí estaban programando mi mente, al tiempo que cambiaban mi cuerpo.*

I heard two people enter the room. They were talking but I couldn't hear well. I didn't know what they were doing. I hear that one of them (women) said: "it went very well, the doctor has done a great job. She is perfect" and left the room.

Music began again, but this time came with a soft interior heat. I guess that through a dropper would have put any drug, medicine or whatever. The voice began again, but it was higher. I thought to understand something of what he said. Things like... "you're a woman, you're very feminine, you like to suck cocks, you like to suck cocks, you are a whore, slut, you like to seduce men, etc, etc, etc" I fell back asleep.

That voice was all the time with me. I occasionally woke and heard it. But he quickly returned to my soft dream. Yes they were programming my mind at the time changing my body.

*Una de las veces que me desperté me día cuenta que no había voz. No tenía auriculares. La habitación estaba a oscuras. Tampoco estaba atada a*

*la cama. Tampoco tenía vendajes alrededor de mi cuerpo. Podía mover manos y piernas, no con cierta dificultad ya que llevaba varios días sin moverme. Me costaba mucho.*

*Poco a poco pude comprobar que sentía mi cuerpo. Mi primera sorpresa fue cuando vi mis manos. Tenía largas uñas rojas, perfectamente arregladas. Además debían haberle dado algunas cremas ya que estaban suaves y lisas. Preciosas!!!*

*Al moverme un poco las sabanas me hicieron cosquillas en los pezones. Me los busqué y me encontré la segunda sorpresa. Tenía pechos!!! Redondos y bastante grandes. Qué rara sensación. Yo con unos preciosos pechos!!!*

One of the times I woke up me day has there was no voice. I had no headphones. The room was dark. It was not tied to the bed. It also had bandages around my body. I could move hands and legs, not with some difficulty since it had been several days without leaving. I took a long.

Little by little I found that I felt my body. My first surprise was when I saw my hands. She had long red, perfectly manicured nails. In addition given should have some creams since they were soft and smooth. So nice!

Move me a little sheets I had tickled on her nipples. I looked for them to me and I found the second surprise. I had breasts! Round and quite big. What a rare feeling. I with beautiful breasts!

*Rápidamente fui a comprobar mi barriga y... Como suponía.... No estaba!!! A cambio había un abdomen terso, suave, delgado. No sé cómo lo habían hecho pero el cambio había sido tremendo.*

*Me toqué el pelo y estaba como siempre. Bien cortado. Olía bien. Olía genial en la habitación. Me habían perfumado con Chance de Chanel. Me gustaba mucho ese perfume.*

*Busqué mis testículos y polla y allí estaban, pero dentro de un chastity device con un candado cerrado. Noté que el sistema tenía una caja de plástico añadida. Al palparlo supuse que era una caja de control remoto.*

## DISCOVERING A SHEMALE

---

*Mi ano estaba tapado por un dildo, supuse. Un separador sería. Estarían agrandándolo.*

*También tenía un collar, sin cierre, alrededor del cuello.*

I quickly went to check my belly and... As it was supposed to... Was not! Instead there was a smooth, soft, slender abdomen. I don't know how they had done, but the change was tremendous.

I touched my hair and was as always. Well cut. It smelled good. It smelled great in the room. I had perfumed with Chanel Chance. I liked this perfume.

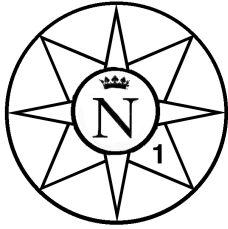

I looked for my testicles and cock and they were there, but within a chastity device with a closed padlock. I noticed that the system had a box of plastic added. To feel it, I assumed that it was a remote control box.

My ass was capped by a dildo, I suppose. A separator would be. They would be making it larger. I also had a collar, without closure, around the neck.

*En esas estaba cuando se encendió la luz levemente y una mujer vestida de blanco entró en la habitación. Me ordenó arrodillarme cosa que hice con serias dificultades. No tenía fuerzas para nada.*

*Me ordenó abrir mi boca, sacó su polla y la metió en mi boca sin más. Sentí un enorme placer al hacerlo. Quería chuparla, lo deseaba y ese deseo ocultaba todo lo demás. No podía pensar en nada más. Chupar, chupar, chupar, para eso me había programado y eso quería hacer. Ahora eso formaba parte de mí, era mi destino. Qué rica estaba!!! Apenas podía moverme, era ella la que se movía y lo hacía con mi cabeza. Se corrió en mi boca. Me llenó de semen y ordenó que lo tragara todo. Mmm..... me sabía a gloria. Qué rico estaba!!! Quería más. Una vez se corrió en mi boca sacó su poya tras dejarla en ella y ordenarme que la limpiara de todo el semen, lo que hice sin dudar.*

In those was when lit the light slightly and a woman dressed in white walked into the room. She ordered me to kneel thing I did with serious difficulties. I had no forces to nothing.

## DISCOVERING A SHEMALE

---

She ordered me to open my mouth, pulled out his cock and got into my mouth without more. I felt a great pleasure in doing so. I wanted to suck it, wanted it and that desire hiding everything else.

- You could not think of anything else. Suck, suck, suck, for that.

I had scheduled and that I wanted to do. Now that was a part of me, it was my destiny. What rich was! She was just I couldn't move, which moved and did it with my head. It was in my mouth. Filled me with semen and ordered it to swallow everything. Mmm... I knew to glory. Was delicious! I wanted more. Once cum in my mouth pulled out his cock after let it and ordered me to clean up her entire semen, what I did without hesitation.

*Terminado salió de la habitación, no sin antes besarme en la boca y despedirse con un "good girl". Eso me excitó mucho. No sabía porqué.*

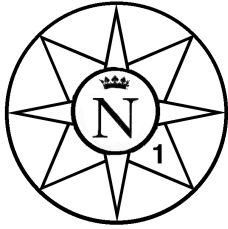

*Me quedé en la cama esperando y palpando mi cuerpo. Tenía la piel lisa, suave, sin pelos. Mis labios parecían más grandes, pero no podía verlos. Mi nariz más pequeña también. No había espejos en la habitación.*

*Estaba con esos pensamientos cuando entró una bellísima mujer, vestida de blanco, muy sexy. Me ordenó ponerme boca abajo en la cama. Me untó con gel en el ano y empezó a follarme. Su polla entró sin problemas, suavemente, hasta el fondo. Debía tener muy dilatado el ano.*

*Me gustaba. Mmmm que si me gustaba!!! Estaba en la gloria. Y como antes no podía pensar en nada más. La mujer seguía y me decía "puta, eres una puta y lo será siempre, te gusta verdad?".*

Finished he left the room, but not before kissing me on the mouth and say goodbye with a "good girl". That excited me much. I didn't know why.

I stayed in bed hoping and feeling my body. I had skin smooth, soft, hairless. My lips seemed larger, but couldn't see them. My smaller nose also. There was no mirror in the room.

## DISCOVERING A SHEMALE

---

It was with those thoughts when woman, dressed in white, entered a beautiful very sexy. He ordered me to turn me upside down on the bed. I rubbed with gel in the year and began to fuck me. His cock went smoothly, gently, to the bottom. It should have been very long dilated.

I liked. Mmmm if I liked me! I was in the glory. And as before I could not think of anything else. The woman remained and said me "bitch, you're a whore and it is always, like truth?".

*Y sí, me gustaba y mucho. Sí era puta y quería serlo. Esto me gustaba. No quería que parara. Se corrió dentro de mí y me gustó. Sentí que acabara. Se relajó y abrazó besandome en la nuca. Mmmmm.... Se me erizó el pelo.*

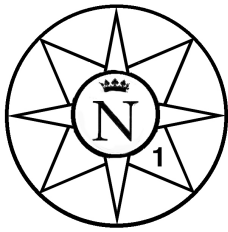

- *Eres nuestra, me dijo*
- *Sí Señora, contesté.*
- *Obedece y todo irá bien para ti. Desobedece y lo lamentarás.*
- *Sí Señora*

*Sacó su polla y se marchó. Estaba exhausta pero me sentía genial. El device controlaba mi erección y la impedía. De otro modo habría roto el device o mi polla habría explotado.*

And Yes, I liked much. Yes she was fucking and wanted to be him. I liked this. I didn't want to stop. He cum into me and I liked. I felt it ended. Relaxed and embraced kissing on the neck. Mmmmm... They bristled my hair.

- You are yours, she told me
- Yes Madam, replied.
- Obey and everything will go well for you. If disobeys and You will regret it.
- Yes Madam.

She pulled out his cock and departed. I was exhausted but I felt great. The device controlling my erection and prevented it. Otherwise it would have broken the device or my cock would have exploded..

*Me quedé palpando mi nuevo cuerpo. Los pechos me excitaban. Eran redondos, duros. Mmm... qué gusto me daba tocarlos y acariciar mis pezones! Me tumbé en la cama. Tenía muchas ganas de correrme. Recordaba mis dos ultimas visitas y me ponía aún peor. Quería mas. Cómo me habían cambiado en este tiempo!. Tiempo que no podía precisar, pero debía ser mucho ya que no tenía puntos o marcas de las operaciones quirúrgicas que hubieran hecho.*

*Lo que no podía hacer era hablar. Lo había intentado, pero me dolía la garganta y no podía hacerlo. Algo lo impedía.*

*La TV de la pared se encendió y comenzó un video de Pornhub de una sissy chupando pollas. Me gustaban mucho, mucho. No podía más de deseo. No lo sabia pero desde entonces, en mi habitación, siempre habría una TV encendida con esta clase vídeos. 24 horas al día. Serían mi permanente compañía.*

I was feeling me my new body. Breasts exciting me. They were round, hard. Mmm... taste I was touching them and caressing my nipples! I lay on the bed. I had really wanted to cum. I remembered my two last visits and I started even worse. I wanted more. How had I changed in this time!. Time which could not specify, but should be much since it had no dots or marks of surgical operations that had done.

But I could'nt talk. I've tried, but throat ached and I could not do it. Rather something prevented.

The TV from the wall went on and started a sissy Pornhub video sucking cocks. I like very much. Desire more could not. Did not know but since then, in my room, one would always have TV on this classy videos. 24 hours a day. It would be my permanent company.

**Ese día vino a verme el doctor con una enfermera. Revisaron todo su trabajo.**

- *Todo ha salido perfectamente. Durante unos días más no podrás hablar. No te preocupes. Todo está bien. Notarás que el tono de voz ha cambiado. Ahora será más femenino. Eres una mujer casi al 100%. Lo que te queda entre las piernas seguirá ahí mientras tu Mistress quiera. Todo depende de Ella y de ti. Ya sabes que a partir de ahora sólo tienes*

*un tarea: obedecerla en todo momento. Por cierto, hasta que Ella no lo decida no te podemos dar un espejo para que te veas completamente. Hemos retirado tu alimentación por vía parental. A partir de ahora te traerán la comida cada día. Ella decidirá cuando estas lista para salir. Mmm.... Qué guapa has quedado!!! Adiós.*

That day he came to me the doctor with a nurse. They reviewed all their work. Everything worked out perfectly.

- You can not talk for a few more days. Do not worry. All is well. You will notice that the tone has changed. It will now be more feminine. You're a woman almost to 100%. What you have between your legs will remain there while your Mistress wants. It all depends on her and you. You know that from now on, you only have one task: obey it at all times. By the way, until it does not decide it I can not give a mirror so you can see yourself completely. We have removed your diet via parental. From now on they will bring you food every day. She will decide when these ready to go. Mmm... What beautiful have been! Good bye.

Guapa! Había dicho guapa!. Sería guapa de verdad? Ojala! Me encantaría. Ahora era Jessica y podría hacer lo que my Mistress deseaba. Servirla como un sissy, ser su good girl!! Y eso todo el tiempo.

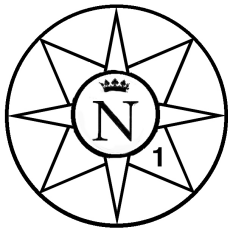

Tenía muchas ganas de verla de nuevo.

La puerta se abrió y entró en la habitación una mujer guapa. No llevaba ninguna bandeja con comida. Se bajó la falda y bragas y sacó una preciosa polla.

Good looking! He said pretty!. Would it be really beautiful? Hopefully! I would love to. Now it was Jessica and I could do what my Mistress wanted. Serve it as a sissy, be your good girl! And that all the time.

I had really wanted to see Her again.

Opened the door and entered the room a beautiful woman. It didn't get any food tray. Lowered the skirt and panties and pulled out a beautiful cock.

- *Es tu comida me dijo.*

*No tuvo que repetirlo. La llevé a mi cama y tumbada comencé a chupar aquella suave y preciosa polla. Iba a ser toda mía! Y en pocos minutos lo era, así como todo el precioso líquido. Mmm... hasta el fondo!!!*

*Al terminar me dijo que no me preocupara, que en el próximos días, una comida al día, al menos, sería así. El resto sería más normal.*

*No podía salir de la habitación. Estaba cerrada por fuera. Lo único que podía era dormir, descansar, ver los videos de Pornhub y nada más. Pero eso iba a cambiar.*

- It is your food told me.

She did not have to repeat it. I took her to my bed and lying started to suck that smooth and beautiful cock. It would be all mine!

And in a few minutes it was, as well as all the precious liquid. Mmm... all the way! At the end he told me not me to worry, in the coming days, a meal a day, at least, would be as well. The rest would be more normal.

I could not leave the room. It was closed out. The only thing that could was sleeping, resting, watching Pornhub videos and nothing more. But that would change.

*Un par de horas despues de la ultima visita apareció otra mujer, con una bandeja. Llevaba una pequeña comida. Sopa unas pastillas, agua y un yogur.*

- *Tienes que tomarlo todo, en especial las pastillas. Tengo que ver como lo haces personalmente.*

*Y me tomé las pastillas.*

- *No puedes comer grandes cantidades de momento. Tu estómago lleva muchos días sin movimiento. Poco a poco.*

*Y salió con una sonrisa.*

## DISCOVERING A SHEMALE

---

A couple of hours after the last visit appeared another woman with a tray. She wore a small meal. Some pills, water and a yogurt soup.

- You have to take it all, especially the pads. I have to see how you do it personally.

And I took the pills.

- You can not eat large amounts of time. Your stomach takes many days without movement. Little by little.

And she came out with a smile.

*Comí con ganas. Tenía hambre.*

*Después dormí un rato. Al despertar no estaba en la misma habitación, sino en una habitación sin ventanas. Una simple cama. Una puerta metálica. Parecía una prisión. Tenía las manos atadas a la pared con una cadena. Estaba vestida como antes. Tenía un espejo enfrente y pude verme. No podía ser verdad!!! Quién estaba en el espejo? Era yo? Increíble!! Esa preciosa mujer era yo!!!! Realmente habían hecho un gran trabajo.*

*Más tarde entró una mujer que me puso de pie y me ató las manos a unas cadenas que colgaban del techo. No podía sentarme ni arrodillarme. Hecho eso salió de la habitación cerrando la puerta con llave. Nada se oía del exterior.*

I ate with desire. I was hungry.

I then slept awhile. When you wake up I wasn't in the same room, but in a room without windows. A simple bed. A metal door. It looked like a prison. I had my hands tied to the wall with a chain. Was dressed as before. I had a mirror opposite and I could see me. Could not be true! Who was in the mirror? Was I? Incredible! This beautiful woman was me! They had really done a great job.

## DISCOVERING A SHEMALE

---

Later came a woman who put me in standing up and tied my hands to chains hanging from the ceiling. I could not sit or kneel. Fact that left the room closing the door with key. Nothing was heard from the outside.

*La puerta se abrió y allí estaba Ella!!! Por fin!!! Me emocioné, pero seguía sin poder hablar.*

*Entró con paso tranquilo junto con otra mujer. Revisó mi cuerpo con gestos de aprobación y sonriendo.*

- *Increible trabajo. Excepcional. Te gusta?*

*Asentí con la cabeza.*

- *Hemos terminado esta etapa. Ahora empieza tu nueva vida como shemale a mi servicio. Pero antes tienes que aprender muchas cosas. Pero lo primero es que te postres a mis pies y me adores. Soy tu Dueña. Eres mi propiedad. Lo recuerdas.*

*Asentí con la cabeza. Lo era y así quería seguir siempre. Me soltaron las manos y me arrodillé ante Ella, agachando al cabeza.*

Opened the door and there SHE was! At last! I was excited, but still without being able to speak.

SHE entered with quiet step together with another woman. Revised my body with gestures of approval and smiling.

- Incredible work. Exceptional. Do you like it?

I nodded.

- We have finished this stage. Now start your new life as a shemale to my service. But before you have to learn many things. But the first thing is that you deserts at my feet and I worship. I am Your only real owner. You are my property. You remember it.

## DISCOVERING A SHEMALE

I nodded. It was and so I wanted to follow. They released me hands and knelt before Her, ducking the head.

- *Besa mis pies esclava en señal de tu obediencia y sumisión!*

*Y así lo hice.*

- *Bien. Ahora pasarás unos días en esta habitación donde aprenderás muchas útiles técnicas para servirme. Entre otras chupar pollas, comer semen, ser follada, dar placer a un hombre y una mujer sin utilizar tu polla. Una vez termine el entrenamiento, y tus supervisora me informe de tus avances, saldrás de aquí. Si te lo tomas sin interés, no obedeces o lo haces mal no saldrás. O peor aún, te venderé y eso no te gustará nada. Ahora descansa y sigue las instrucciones. Estas preciosa. Me gustas mucho.*

*Me cogió la mano, hizo que se la besara. Estaba como en una nube. Estaba con Ella. Quería hacer todo lo que Ella me pusiera por delante. Tenía que superar todas las pruebas que me pusieran. Tenía que salir de allí. La quería y era Suya. Vivir sin Ella no tenía sentido en mi vida.*

- Kiss my feet slave as a sign of your obedience and submission!

And so I did.

- Not bad. Now will spend a few days in this room where you will learn many useful techniques to serve me. Among others sucking dicks, eating semen, be fucked, give pleasure to a man and a woman without using your cock. Once completed training, and your supervisor tell me of your progress, get out of here. If you take it without interest, does not obey or do it wrong you will not come out. Or worse yet, you'll sell and that do not like anything. Now they rest and follow the instructions. These beautiful. I like you very much.

She took my hand, did you kiss it. It was like in a cloud. I was with Her. I wanted to do everything She put me ahead. I had to overcome all the tests that I put. I had to get out of there. I wanted it and I belong now to Her. Live without Her didn't make sense in my life.
